

GREENE COUNTY REPUBLICAN COMMITTEE

Resolution #2015.05 of the Greene County Republican Committee

At its Business Meeting of 16 November 2015

To Congressman Robert Hurt, the Republican Congressional Leadership and the
Republican Party of Virginia

WHEREAS, the Constitution names the President as the Commander in Chief of the armed forces, thereby tasking him with the responsibility for the security of the Nation ; and

WHEREAS, the recent terrorist attack in Paris has been shown to have participants from the United Nation's "Syrian refugee resettlement program"; and

WHEREAS, the President made a demonstrably false statement just prior to the attack in Paris and reiterated the same position today, namely that ISIS is contained; and

WHEREAS, the FBI has stated that it does not have the means to thoroughly vet the "Syrian" or other refugees; and

WHEREAS, the President and the State Department have announced their intention to relocate ten thousand "Syrian" refugees to the US and accelerate the resettlement of tens of thousands more; and

WHEREAS, James Simpson, in a study published by the Center for Security Policy Press called "The Red-Green Axis" subtitled "Refugees, Immigration and the Agenda to Erase America", credibly shows the danger to our sovereignty posed by the mass resettlement program; and

WHEREAS, **national suicide is not a rational act**; now therefore

BE IT RESOLVED that we, the Greene County Republican Committee, do hereby call on The Republican Congressional Leadership to defund all "Syrian" resettlement actions; and

BE IT FURTHER RESOLVED that Congress urgently pass legislation prohibiting any further refugee resettlement and immigration from all nations without thorough vetting by United States' security organizations.

UNANIMOUSLY APPROVED by the GCRC at its Business meeting of 16 November 2015.

Respectfully submitted on behalf of the Greene County Republican Committee of Virginia,

Ed Yensho- Chairman
